

UNICITY IMMUNIZEN™

Immunizen, which can be found in the Physicians' Desk Reference, is a proprietary blend of immune boosting ingredients. It contains arabinogalactan, colostrum, and lactoferrin to keep your immune system working as it should. Immunizen supports the body's immune cells—especially macrophages—in digesting foreign material, promotes "friendly" intestinal bacteria, protects the body with antioxidants, and helps the body make better use of iron.

SUGGESTED USE

Take 2 capsules once daily with water.

Take Immunizen 1-2 hours before a meal.

For additional support, take 6 capsules daily for 10 day as needed.

Note: maintaining a healthy diet and exercise regimen and getting plenty of sleep will help support a healthy immune system.

BENEFITS

Contains vitamins and minerals to help boost the immune system.*

Supports and supplements the body's natural ability to maintain a healthy immune system.*

Supports overall health.

AUDIENCE

Primary target: People who want to boost their immune systems.

Secondary target: Individuals wanting to be proactive about staying well all year long.
